

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

We ran across the following in The Lynn County News of Tahoka and feel that with football season underway it would be worth repeating for our readers.

"Friday night, in virtually every city and hamlet from the windy plains of the Panhandle to the sun-kissed Rio Grande Valley, from the piney woods of East Texas to the Big Bend Country, Texas' September Song will again ring through the air. High School football, played as only the youth of the Lone Star State can play it, will light fields and fill stands everywhere.

"It's a time when a very special breed of youngster steps into the spotlight—some rather bashfully, others as if to ask what in the world took so long. He's the school boy football player, a magically complex kid with short-cropped hair and a skinned nose; a boy who looks upon his evening chores with a stoned-faced stare—a little afraid, yet determined; unsure, but eager to give it his dead level best.

"He's the kid down the block; son of a lawyer or banker, postman or plumber, prepared through daily sacrifice to give his all for the honor of his school and teammates. He's unselfish, yet anxious to do his part, modest, but firm in his belief that his particular team is the best around.

"He's the super hero who makes the sportswriter's job easy and the college scout's mouth water—the scrub who prospers in that quiet satisfaction that comes from just being a part. Both with the same vigor and enthusiasm, determination and dedication. In doing so, the great and not-so-great stand on equal ground.

"The High School football player is tomorrow's poet and scientist, teacher and politician trying today, in the way he knows best, to show that he deserves admittance to that fascinating, often bewildering, world of manhood. He's today's hope—assurance that tomorrow will be a brighter day.

"He likes out of town trips, pep rallies, short workout days and the swelling pride that comes from seeing his name in the morning paper. He's the natural athlete to whom everything comes easy; the skinny kid who spends long hours perfecting the most simple of tasks.

"He's the Hero of little brothers, girl friends, and mothers who live in the constant fear that her boy will be injured. He's the culmination of dad's dream—a youngster he can proudly point to and say, "That's my boy . . .".

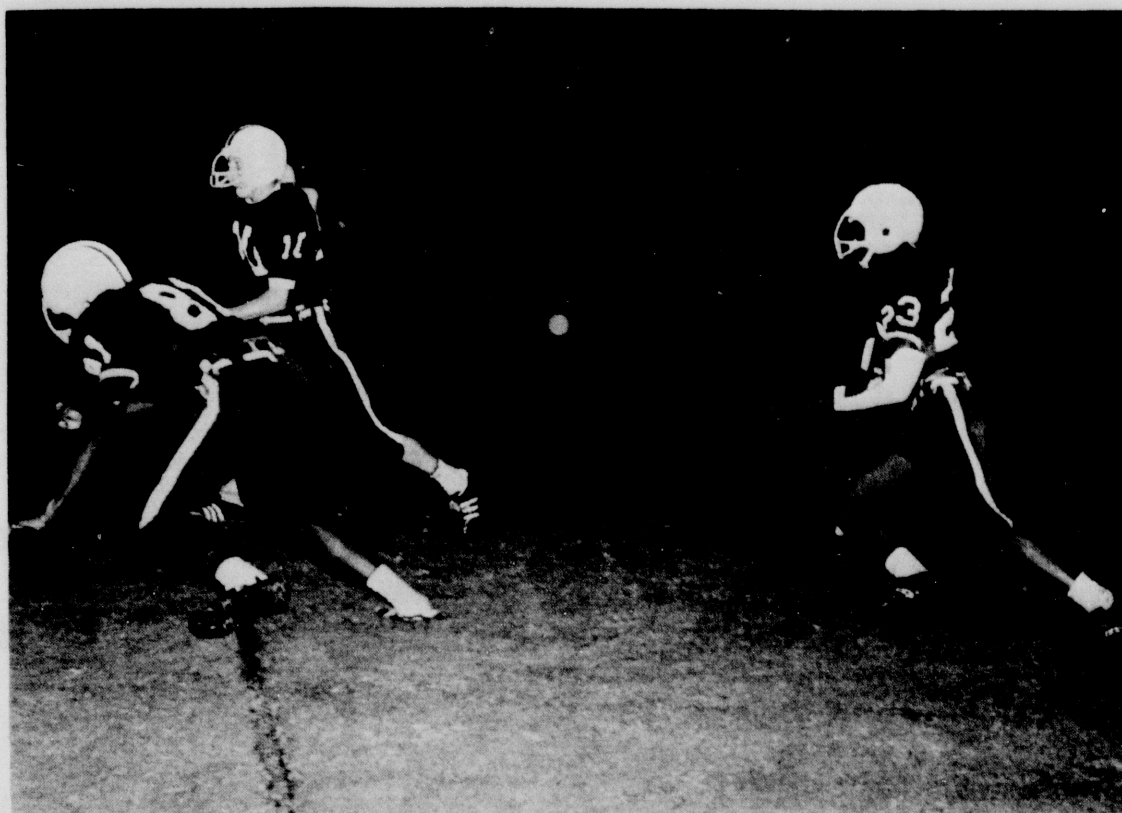

"On his shoulders ride the hopes of the entire community, the students, the man on the street, and all those who have worn the school's colors before him. He readily accepts the Challenge, without reservation or doubt, vowing to perform to the best of his ability.

"He's too busy doing windsprints to bother with stealing hub caps, too tired after an afternoon of blocking and tackling to build protest signs. He may not get the same headlines as those who are threatening the very foundation of our society, but he'll run until he's ready to drop if it will help defeat an upcoming opponent.

"He's the kid who blushes from praise yet bristles if you degrade his teammates or coaches the kind of fella who can make you feel mighty small when, criticizing a defeat, he answers simply that "we did our best."

"He's what the Red, White and Blue is all about; as American as apple pie; refreshing as the cool breezes which signal him to center ring.

"It's good to see him again. . . ."

School Board Adopts Policy On Disruption of Classes

The Hamlin Board of Trustees of the Hamlin Independent School District passed several policies in regard to disruption of classes and truancy in their regular meeting last week. The policies define such acts and set the penalties for each.

The policy in regard to disruption and interference with the educational process states that "The Hamlin Independent School District, in order to provide quality education for all its students, will not tolerate disruptive acts that would interfere with the tranquility of its schools, the safety of its students, or the damaging of property. Students while enrolled in a

Hamlin School shall be under the supervision of and accountable to school personnel. This supervision shall include going to and from school and while attending any school-sponsored activity.

"A disruptive and interfering act shall be defined as, but not limited to, inciting, encouraging, promoting or participating in activities which interfere with the due process of the educational program of the school. The following activities, if accomplished for the purpose of disrupting or interfering with the due process of the educational program, will constitute disruptive activities: demonstrations, sit-ins, walk-outs, blockages, group violence, disrespect or disobedience to school personnel, harassment and or intimidation, verbal or physical, of students or school personnel; the use of obscene, lewd, or profane language, (visual and or auditory); fighting, disruptive publications.

"Any student disrupting or interfering with the educational process may be suspended by the principal for three days. A second offense may be referred to the school board for consideration of permanent expulsion. A suspended student will not be permitted on the school premises or allowed to attend a school-sponsored activity.

"Students committing such acts may also be charged with violating applicable civil laws. Unauthorized campus visitors may also be charged with applicable civil laws."

The other policies adopted were penalties set for truancy, un-excused absences and tardiness; and vandalism and related actions.

Both truancy and tardiness

can involve the loss of three points in the grade for the subject involved. Repeated truancy can involve suspension from school.

Any student committing an act of vandalism, theft, gambling or forgery is also subject to suspension. Damaged or stolen school property must be paid for or replaced by the offending student.

New Hours Set For Anson Drivers License Office

A new schedule for examinations and renewal of drivers license in Jones County became effective Monday, according to the Driver License Service of Texas Department of Public Safety.

No change was made in the date that the office comes to Hamlin, but the dates that the office is open in Anson was changed.

Hours for the Anson office are from 8 a.m. to 5 p.m. Mondays and the first, third and fifth Fridays at the driver license office in the courthouse annex on the west side of the square

The officer is in Hamlin from 8:30 a.m. to 5 p.m. Wednesdays upstairs in the City Hall

In Stamford the officer is on duty from 8:30 a.m. to 5 p.m. on Tuesdays in offices upstairs in the City Hall.

The Abilene office of Driver License Service at 241 Post Oak Road in Taylor County is open from 8 a.m. to 5 p.m. each Monday and Friday from 8 a.m. to 6:30 p.m. on Tuesdays, Wednesdays and Thursdays.

Pipers to Meet Strong Childress Team Friday

The Pied Pipers will still be looking for their first win of the season Friday night when they take to the road to play the Childress Bobcats at Childress. The Pipers will be taking a 0-2 record into the contest while Childress owns a 2-0 record with wins over Clarendon and Paducah.

Coach Deane Wright told

the Booster Club Monday night that the Pipers were in good physical shape and that they had had a spirited workout Monday. He said the Pipers just made too many mistakes Friday night but they showed several signs of improvement over the week before when they lost to Winters.

The Childress Bobcats are

pre-season favorites to capture District 2-AA honors this year with Iowa Park moving into another district.

This will be the first time for these two teams to meet since 1963 when the Pipers won 21-12.

Leading the Bobcat attack this year is senior quarterback Kevin Wood, 155-pounder, who is the team's best runner, a good ball handler and who can throw the long ball. He scored three touchdowns last week on runs of 19, 60, and 46 yards and passed for two more.

Running in the backfield with him will be fullback Dickie Nations, 185 pounds, Larry Johnson, 155 pounds, and Ricky McIntyre, 155 pounds.

In the line will be split end Delbert Session, 140 pounds, tight end; David Bradford, 168 pounds, Steve Howard, 175 pounds, and John Howard, 171 pounds, at tackles; Stanley Webster, 160 pounds, and Terry Compton, 148 pounds, at guard; and Mark Anderson, 188 pounds at center.

The Hamlin Freshmen will see action in Rotan tonight (Thursday) with the game time set for 6. Tuesday the seventh and eighth graders will travel to Haskell for their first road game with the first game at 5:30 and the second at 7.

Ricky Rodgers One of Top Swine Exhibitors At Fair

Ricky Rodgers, Hamlin FFA member, was one of the top swine exhibitors last week at the West Texas Fair. Ricky showed three head of Duroc breeding swine and had two firsts, one second, two grand champions, and a reserve champion. His senior Duroc boar was first in its class and grand champion Duroc boar of the show. His junior gilts placed first and second and were grand champion and reserve champion Duroc females of the show.

Rickey's younger brother, Gerald, also exhibited three head of swine at the fair. His senior Duroc boar placed third, his junior Duroc gilt placed third, and his Duroc barrow placed first. His barrow was the reserve champion barrow of the show.

The animals were from Ricky's and Gerald's herd of registered Durocs.

The boys are the sons of Mr. and Mrs. James E. Rodgers.

Funeral Services Held for Former Publisher Monday

Funeral services were held Monday in Bandera for Willard Jones, former publisher of The Hamlin Herald and several other West Texas newspapers. Mr. Jones died of an apparent heart attack at 8 p.m. Saturday at his home, the Lazy J. Ranch, north of Medina.

Services were held at 10 a.m. Monday at the Plummer

Funeral Home in Bandera, with the Rev. James Rogers officiating. Burial was at 5 p.m. in the Snyder Cemetery.

Jones entered the newspaper field in 1917 when he started as printer's devil (apprentice) on the Wise County Messenger at Decatur. He later bought the Messenger, then sold it to purchase the Lufkin Daily News in 1927.

In 1929 he sold the Lufkin newspaper and bought the Snyder News in 1929. The News was consolidated with the Scurry County Times, which was later sold.

While in Snyder he was named president of the Snyder Chamber of Commerce. In 1942 he was named a director in the West Texas Chamber of Commerce.

In 1946, Mr. Jones and his brother-in-law, H. G. Lackey, purchased the Hamlin Herald, the Haskell Free Press and the Texas Spur. Jones and Lackey dissolved their partnership in 1950, with Jones taking the Hamlin and Haskell newspapers and Lackey keeping the Spur publication.

Jones sold the Haskell newspaper to Jetty Clare in 1951.

In Hamlin Mr. Jones served as mayor, president of the Lions Club, a director of the West Texas Chamber of Commerce, director of the Hamlin Board of Community Development, and deacon and Sunday School superintendent of First Baptist Church.

Mr. Jones retired in 1960 after 43 years in the newspaper business.

His survivors include his wife, Overa; a son, June Jones of Abilene, who operated the Hamlin Herald until 1957 when he moved to Abilene where he owns a commercial printing business and works for the Reporter-News; a daughter, Mrs. Dick Rollins of Abilene.

Omar Burleson Day Planned In Abilene Oct. 30

The Legislative Committee of the Abilene Chamber of Commerce has set Friday, October 30, as Omar Burleson Day in Abilene, and to honor Burleson on this day, a gigantic luncheon has been scheduled in the new Abilene Civic Center.

Mr. Burleson is congressional representative for the 17th District, an office he has held since 1946. His Washington career has included chairmanship of the House Administration Committee; number two ranking on the Foreign Affairs Committee; and since 1968, membership of the powerful Ways and Means Committee.

All residents of the Big Country are invited to attend the function and are urged to make reservations now. Civic organizations, business firms and towns are being encouraged to come and sit as a delegation. Tables of 8 or 12 may be purchased, and identifying signs will be furnished for each. Table location will be from front to rear on a first-reservation-received basis.

Tickets are now on sale and may be ordered by writing: Burleson Tickets, Box 2281, Abilene, 79604, or they may be reserved by calling AC 915, 677-7241. The price is \$4.50 each.

Connie Jo Duncan On Fort Worth Staff Of Audit Company

Connie Jo Duncan visited in the home of her parents, Mr. and Mrs. Edgar Duncan, a few days before returning to Ft. Worth to assume the duties of her position on the audit staff of Arthur Young and Company, an international public accounting firm.

Miss Duncan received her master of professional accountancy from Texas Christian University Aug. 21. While there she worked under Dr. James Edwards on the National Association of Accountants research projects on interim reports.

After graduation she accompanied her parents and brother, Joey Duncan, a sophomore at Baylor University, on a 10-day visit with another brother, Jerry Duncan, and family in Aquadilla, Puerto Rico. Jerry is manager of the BX on Ramey Air Force Base where he has been assigned since May, 1969.

Interested Adults to Meet With Youth About Center

Approximately 30 persons attended the meeting last Wednesday evening in the Hamlin Community Building to discuss plans for providing a youth center for Hamlin.

Kenneth Hertel, chairman, presided.

Reports were given on area youth centers and their method of operation. Hertel gave a report on the center in Anson. He read the rules and regulations compiled by the youth and noted that the building has been donated for use as a youth center.

Mrs. Bob Craig reported on the Albany Youth Center which is supported by the

United Fund and has been in operation for several years. The group of adults are working out possible ways to provide a meeting place for the youth. The Student Council the high school age youth, as a representative group of has been asked to attend the next meeting to get the young people's ideas on this type of project. All high school students will be asked to submit what they would like to have in a youth center and these ideas will be presented to the group.

An offer was given by the Hamlin Jaycees allowing the group to use the Jaycee Community Building on a lease

basis on Friday and Saturday nights. This was discussed as a temporary arrangement until a permanent facility could be provided.

In other business the group voted to use the name of Youth Activities Association for the adult organization with voting membership dues of \$5.

Jerry Smith was elected treasurer.

Plans were made for an after-ballgame party which was held Friday following the Clyde-Hamlin football game.

The next meeting will be held Sept. 30 at 8:30 p.m. in the Jaycee Building.

TWO HEMS FOR HER—Designer Joanna Nelson of California solves the hemline dilemma in this handsome ensemble of super wide wale cotton corduroy. A shapely frog-buttoned coat in the new longer length tops a sleeveless dress with an above-the-knee hemline.

MINI SPLENDORED—Want to have your mini and wear it two ways? Arpeja of California shows how: wear it as stylishly topped with a softly shaped pantsuit of authentic-looking cotton suede. Or, if you're short-sighted, leave off the pants and wear it as a mini tunic dress.

LONG ON FASHION—One way to ease into fashion's new longer length: wear gauchos—the mid-calf pants that are a divided skirt and vice versa. White Stag does them in ribless cotton corduroy, with matching button-front vest. A gaucho-inspired hat and black boots complete the look.

FOR FALL 1970

Fashion Lets You Skirt The Issue Of Hemlines

If you want to skirt the issue of hemlines in your fall wardrobe, 1970 fashions allow ample room for fence-straddling.

One great compromise of the season, for example, combines a wide wale cotton corduroy coat in the new longer length with a matching mini-skirted dress.

Another look that encompasses the long and short of it is the pantsuit that melds a mini-length tunic with long flare-legged pants. The mini-inclined can also wear the tunic separately as a dress.

A subtle way to ease into the longer mood of fashion 1970 is via the gaucho. Borrowed from the Argentine cowboy, the mid-calf gauchos are the pants that are a divided skirt . . . and vice versa. Either way you look at it, the gaucho is clearly one of fall's most popular styles.

Still another approach that

offers the best of the two fashion looks is the button-front mini-skirt. The young have come up with a way to bridge the polarization in hemlines: they bring the mini and the mini together by simply buttoning their skirts only half-way down . . . thus insuring mini exposure with mini style.

Whether you're an out-and-out advocate of the mini or a diehard for the mini, fall 1970 is the season to experiment with fashion . . . put things together . . . and discover what's best for you. More than just a new length, fall offers a look that's soft, easy, and slender.

California designers express the fashion message in soft cotton suedes, buckskins, knits, ribbed and ribless corduroys, and velveteens that take to the supple shaping so vital to the new look.

When it comes to planning your own wardrobe for fall, you may not want to be the first in your crowd to come out in a mini . . . but on the other hand, make sure you're not the last to lay the mini aside.

NEWS FROM . . . Sylvester

By MRS. R. M. BARR

Lovely Monday morning and we had over three inches of rain so every thing is looking up.

Mrs. J. E. Tindal and Mrs. Maggie Wilder drove to Sweetwater and attended a District Missions Meeting at Highland United Methodist Church Sunday afternoon.

The Tommy Wilson Family of Meadow and the Buddy Williams family of Irving visited in the home of Mrs. Gladys Williams over the weekend.

Mr. and Mrs. W. B. Brown of our town and Eric and Shelia Prather of Sweetwater visited in the Max Deel home in Levelland over the weekend.

with her mother, Mrs. Ella Scott, in Hamlin.

Mr. James (Buster) Turner of Brownfield has been here for several days helping out while his father, Fred Turner, has been on the sick list. Saturday morning, Sharon and the girls drove down to spend the weekend with the family.

The Don Wright family of Roby enjoyed Sunday in the Ross Douglass home.

Many of our people attended the West Texas Fair and report a grand time. Randy Scott, son of Mr. and Mrs. Robert Scott, won first place with his swine. Randy usually wins when he enters any of the Fairs. We are very proud of him.

The Alton Mauldin family of Midland enjoyed Sunday in the home of Mr. and Mrs. Guy Mauldin.

Mrs. Ross Douglass is driving a new wine and white pickup and also Alfred Douglass is driving a new red and white pickup, they are real pretty.

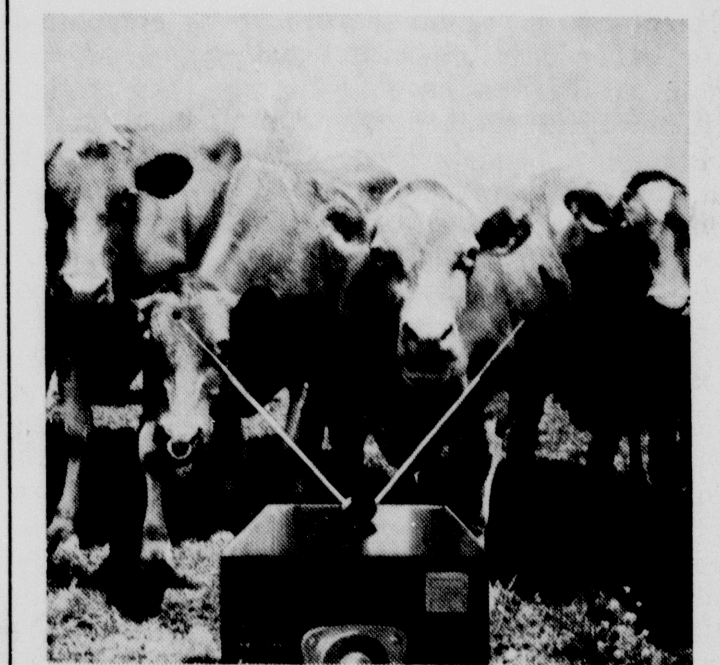

Ezell Whitten of Hamlin visited with her sister, May Hurst, and friends here in town one day last week.

Some fifty people from Sylvester, McCaulley, Roby, Noodle enjoyed a very good singing last Tuesday night. Remember it is each Tuesday night at the Methodist Church in Sylvester.

Melissa Hardwick of Tarleton College at Stephenville, Joyce Scott and Cindy Beck of Texas Tech at Lubbock and Danna Thompson of Tarleton all were home with their parents over the weekend.

Mr. and Mrs. Joe Spikes of Abilene spent the weekend in the Roy Kiser home and helped Stella pack so she could go to Temple for a check up in Scott and White hospital.

Mr. and Mrs. Merrill Turner of Farwell visited in the Charles Scott home and

1971. You've changed. We've changed.

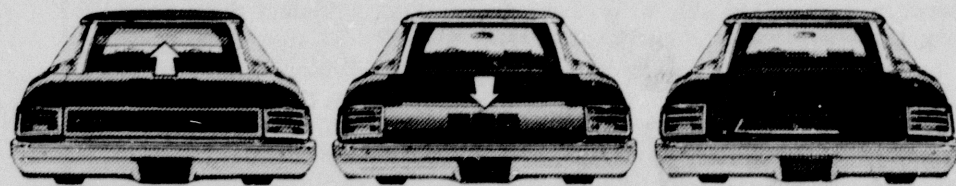

Worth seeing. Worth owning. Worth waiting for.

Vega. Not just another little car, but one little car that does everything well. You get more room, more weight and more power than most little cars give you, yet the gas mileage is right in the same neighborhood with the best of them. Vegas come dressed up, too, not stripped to the bone so you have to add a lot to make them liveable. Drive one. You'll see.

Caprice. There's a double layer of steel in the roof, a steel guard beam in each door, power disc brakes up front, a new power ventilation system inside, a wheelbase two and one-half inches longer. You get the looks and comfort of a six- or seven-thousand-dollar car, but at Chevrolet prices. And that's the kind of change during these tight-money times that all of us can appreciate.

A vanishing tailgate. A big change in our big wagon. The window goes up into the roof, the Glide-Away tailgate vanishes beneath the floor. Out of sight. Out of your way for easy loading even in a closed garage or when you have a trailer hooked on.

See what we mean by putting you first? September 29 at your Chevrolet dealer's.

15% off

If you've been saving to buy gas heating, here's help:

If you're like most homeowners in this area, sooner or later you'll probably buy gas central heating.

After all, it costs less to operate. It circulates fresh, warm air in every corner of your home. And a simple construction gives it a long trouble-free life.

So, why not buy gas heating now? And get a 15% discount. (We'll give you a 25% discount if you buy yours with a chiller coil that makes gas air conditioning easier to install.)

In short, save a lot of money now at Lone Star Gas or any participating gas heating dealer.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(September 25, 1925)

The school at Plasterco opened last week, again under the superintendancy of Prof. Bankston. This school has grown greatly the past year or so and now they are occupying two buildings. The regular school house is being used by the higher grades and the lower grades are using the auditorium. On last Friday morning the pastor of the Hamlin Baptist church, Rev. Littleton and the Herald Editor were invited to visit the school and take part on the first regular chapel program. They have a beautiful auditorium out there and have all the facilities for first class entertainment, including a picture show screen and machine. At the chapel exercises there were but a few of the parents, which was a disappointment to the visitors, which included not only the above mentioned men, but Rev. Parks, Fisher County Missionary, Prof. Duff, Supt. of the McCaulley schools and a gentleman from Roby. Several talks were made that the pupils seemed to appreciate very much. This school is one of the younger schools of the county, but from the way they are preparing it will be one of the best and largest. The Texas Cement Plaster Company is doing all they can to develop educational and civic pride in Plasterco.

Both of Hamlin's big lakes are full and running around. This is the second time this year this has happened. The first time was only a week or so ago. The upper lake has stood near the top for some time and the last two weeks run over filling the Moore Lake and the Park lake and California Creek has been running full, especially since the rain Wednesday night. The cooler weather is evidently checking the worms, as there is not much said of them lately.

TWENTY YEARS AGO
(September 22, 1950)

Continued rains are contributing aid to the boll weevils and worms to reduce production estimates daily of cotton production in Jones County.

Estimates were that rainfall of Tuesday would total one and one-half inches over the county and the wet weather continued intermittently over Wednesday and Thursday.

General opinion is that the present total production of cotton in the county will be taxed to approach a 30 percent figure as compared with last year's production and each rainy day is reducing that percentage.

Rain and hail of last week reduced crop possibilities as much as fifty percent in some areas east of Hamlin toward Tuxedo.

Labor is already arriving to handle the Jones County crop of cotton and little opportunity has been found for them to pull the bolls that are here.

Reports from other sections of

the south indicate that the same conditions are general throughout and there is little prospect of bumper production in any section.

Safeway stores had their grand opening Thursday after extensive alterations had been completed to their store building.

Entire interior of the store had been given a face lifting through application of paint to the walls and ceiling and a general brightening was thus achieved.

Amazing feature of the reconditioning program is that all of the work incidental to the program was completed in approximately ten days.

A victory was finally chalked up on the ledger for a Hamlin football club when the Hamlin "B" team powered to a 19-0 victory over the Stamford "B" team.

TEN YEARS AGO
(September 22, 1960)

The Pied Pipers took a first half lead of 22 points in their contest Friday night with Merkel and then held off the Badger onslaught in the second half to capture their third win, 22-6.

The passing attack of Mike Bond and Stanley Austin spelled the difference with a big Merkel team dominating the game on the ground. The Badgers led on the ground in both halves but it was the final half that the Badgers came to life and gave the Pipers a run for their money.

Merkel had seven first downs to Hamlin's six, 107 yards to 68 yards and 19 yards in the air to Hamlin's 22 in the second half.

Leading ground gainers in the game were Merkel's Phil Seymore, with 18 carries for 90 yards, and Ronnie Reeger with 21 trips for 67 yards. Tops for Hamlin were Frankie Lee with 59 yards in 18 carries and Stanley Austin with 44 yards in 11 attempts.

Bond led the passers with four of 12 completions for 88 yards, followed by Austin with two of three for 55 yards. Lester Dorton passed six times for Merkel completing 3 for 33 yards.

The opening kickoff was short and was taken by Robert Woodruff and returned to the Hamlin 48 from where they started their first scoring drive.

Merkel took the second half kickoff and in five plays scored, with Seymore going the last 50 yards straight up the middle. The try for two points failed.

Hamlin moved the ball to the Badger 41 before giving the ball up on a fumble. Merkel drove down the field to the Piper five yard line where Hamlin recovered a loose ball stopping the threat.

With Lee and Austin carrying the ball Hamlin marched from their 5 to the Badger 20. The drive was halted when Merkel intercepted Bond's pass and returned it to their 20.

Merkel moved the ball out to their 19 from where they punted. The Pipers got off one play from their 16 as the game ended.

Neinda Philosopher Says He Knows Why
Hurricanes Are Always Given Feminine Names

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One is on his own this week as far as we're concerned.
Dear editor:

Somebody who didn't sign his name has sent me a clipping from a newspaper — I don't care whether his name is signed or not but it looks like it'd been just as easy to send me the whole paper — with a note asking me what I thought about it.

The clipping reported that the Women's Liberation Movement is complaining because the Weather Bureau gives female names to hurricanes. In fact, they were doing more than complaining, they were raising Ole Ned about it.

"Would like to see what you have to say about this," the anonymous note said.

He, or maybe she, has come to the right source if a fair and impartial answer is wanted, as hurricanes and women are two things I'm no

authority on.
However, there are certain characteristics about both a person is bound to detect.

For example, the Weather Bureau will report Hurricane Felice say is headed for a certain point on the coast, reporters and TV people rush there, and an hour later Felice has changed her mind and gone in another direction. You never know where she's going or when she's going to arrive. In the entire history of hurricanes, nobody has ever been able to predict one with any dependability. In the entire history of women . . . And why do they refer to it as a tropical disturbance before it becomes a full-fledged woman, I mean hurricane?

I don't want to get tangled up with the Women's Liberation Movement, but would it seem right reading that Tropical Disturbance Albert is headed toward the mainland? Or to take protection against Hurricane Teddy?

No. Celia . . . Felice . . . such feminine names just sound more accurate and ominous than Thomas and Donald.

However, on the other hand, there are some male characteristics about hurricanes. For example, you have to clean up after them.

J. A.
Yours faithfully,

Grandmother Dies

Mrs. Margaret Muston died at 12:00 midnight Sept. 15 in Abilene in the West Texas Medical Center Hospital. She had been in the hospital since the first of May.

Mrs. Muston, grandmother of Mrs. W. R. Petty of Sylvester, was a member of the Southside Baptist Church in Abilene.

Mrs. A. A. Hackley returned Monday after a two week visit with her sister, Mrs. C. G. Harryman in Taos Canyon, N. Mex.

the GOOD NEWS!

An excited aliveness! . . . That describes a man getting good news over the telephone. Then, there is the gospel, which means "The Good News" which gives life when it comes to a man. It generates life anew. This Good News is proclaimed weekly and oftentimes daily, through God's messenger in His Church. Jesus announced the Good News when He said, "I am come that they might have life, and that they might have it more abundantly." Matthew 10:10. Listen to the proclamation of the Good News in the church of your choice

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Pipers Fall to Clyde, 30-14

Aided by two blocked punts, the Clyde Bulldogs scored in every quarter here Friday night to down the Pipers, 30-14. Both Piper touchdowns came in the second half as Safety Shelton Marshall returned a punt 88 yards for a score and the Pipers drove 60 yards in 10 plays for their second score.

A heavy down pour drenched players and fans during the first quarter.

Behind 14-0, the Pipers made their first scoring threat late in the second period as time ran out on them with the ball on the Bulldog seven yard line.

Top ball carrier of the evening was Clyde's Gary Barr who carried the ball 26 times for 114 yards. High for Hamlin was Barry McDonald with 48 yards in 14 trips into the line.

Hamlin took the opening kickoff and returned it to their own 36 but failed to make a first down and punted with Clyde starting on their own 39. It took the Bulldogs only 12 plays to cover the 61 yards to pay dirt as Barr raced around his right end for the final 13 yards and the score. He added two points via the same route.

The two teams exchanged punts until late in the second period when Clyde blocked a Piper punt and covered the ball on the Hamlin six yard line. Quarterback John Hoffman, on a keeper, scored on the next play. The point after try failed.

Leonard Johnson recovered a Bulldog fumble in the fading moments of the second period to give the Pipers their first scoring opportunity with the ball on the Clyde 25. The Pipers moved down to the seven before time ran out on them.

Following the second half kickoff, Clyde was forced to punt from their own 45 with Marshall taking the ball on his own 12. Starting to his

left and then cutting back to his right, Marshall moved in behind a wave of Piper blockers and raced down the East sidelines virtually untouched for the score. Quarterback Jackie Warner carried in for the two points, moving the Pipers within six points of the Bulldogs.

Johnson recovered another Clyde fumble after the kickoff but the Pipers failed to capitalize on it and gave up the ball on the Bulldog 36. It took the Bulldogs only seven plays to cover the 64 yards to pay dirt with Barr scoring on a 15 yard run. His try for two was good.

After fumbling the kickoff the Pipers found themselves in danger again as the Bulldogs took over on the Piper 30 yard line. Marshall intercepted a fourth down Clyde pass to kill this threat.

After moving the ball out to mid-field the Pipers were forced to punt again and again the Bulldogs blocked it and took over on the Hamlin 23. This time it took the Bulldogs six plays to go the 23 yards with Hoffman passing to Jimmy Newman for the final 15 yards and the score. Hoffman's pass to Pierce was good for the two pointer.

After an exchange of punts the Pipers put together a 60 yard drive to score. Operating from their own 40, the Pipers picked up a first down on the Clyde 47 with a 10 yard pass from Quarterback Steve Teichelman to Tight End Daily Ponder. A pass from Teichelman to Charlie Sel-

lers was good for two yards and another pass from Warner to Ponder was good for 11 yards and a first down at the 34. McDonald picked up 25 yards on a draw play to the nine. Flanker Rickey Rodgers was held for no gain, Warner carried for eight and McDonald carried into the line twice for the final yard. The pass try for the two points failed.

Three incomplete passes killed another scoring opportunity for the Pipers after Tackle Darrell Craig recovered a Clyde fumble on the Bulldog 33.

Clyde took over on fourth down and ran out the clock.

Junior High Teams Win Doubleheader With Rotan Tues.

'Raindrops falling on their heads' didn't slow down the seventh and eighth grade junior high teams as they raced past Rotan here Tuesday evening.

The seventh grade downed their opponent 20-0 sparked by the running of Daniel Willis who scored three touchdowns. Randy Wright scored the conversion after the first touchdown in the first quarter. Rain fell during most of the first half.

The eighth grade game with a score of 38-8 was called with two minutes left on the clock because of rain.

Scoring for the Mighty Mice were Johnny Jones, two touchdowns; Jerry Don Johnson, 2 TDs; Luke Reynolds, 1 TD and 1 conversion; Ricci Harugthy, 1 conversion; Tracy Rowland, 1 conversion; and Alvino Lujan made the tackle on a two-point safety.

Mr. and Mrs. Clyde Wayne Gregory of Spur are parents of a girl, Rebecca Dawn, born Sept. 14 at 5:56 a.m. She weighed 7 lbs. 7 oz.

T-V BARGAINS ?

No dealer will give away T-V's. He must have a fixed mark-up to remain in business. This mark-up is determined by his overhead and volume.

Large dealers have volume but their overhead is very expensive. What Bob's T-V lacks in volume sales we make up in our low overhead. Ask the Big Town dealer for One Year Free Service and he will quote prices for a service policy.

I will service every new Admiral or Sylvania color T-V delivered by Bob's T-V for One Full Year at No Cost to You. I don't handle cut-rate brands and can't sell you a \$600.00 set for \$388.50 and neither can anyone else. You don't always get what you pay for, but you never get anything you don't pay for.

T-V Bargain? — Use these guidelines and you will at least get started on the right foot.

1. Is it a quality product or a cut-rate brand sold for price alone?
2. Is it priced fairly with other leading brands?
3. Quality of service, length of service, availability of service. Make sure!
4. Will a replacement set be available should your set go to the shop?

Bob's T-V can and will fulfill all four of the above requirements. Service is my business and I can deliver not just promise service after the sale.

Thank You,

Bob Goodgame

Political Announcements

The Hamlin Herald is authorized to announce the following candidates for office subject to action of the Republican Primaries:

State Representative, District 62 — Place 2 —

MARVIN W. SAPAUGH

AUSTIN, — State Republican and Democratic parties have put their appeals to Texas voters in writing — via the platforms drafted at their separate conventions last week.

Democrats, party veterans said repeatedly, "wrote the most progressive planks ever." Republicans put the emphasis on attacking crime, campus disorders and drug use.

Highlights of the Democratic statement of party goals include:

A far-reaching vocational technical education program, repeal of annual voter registration requirements and substitution of "registration by voting" every four years, opposition to a tax on groceries, a minimum foundation program for policemen with state standards of qualification and pay, state civil service, expansion of unemployment insurance benefits.

Increase in workman's compensation benefits, creation of a public utilities regulatory commission, establishment of an office of consumer protection, elimination of the \$80 million a year welfare outlay ceiling, an increase in minimum wage, sweeping insurance reforms and creation of a state management research commission to promote governmental efficiency.

Republican platform highlights are:

Legislation to end discrimination in state governmental employment, and to insure equal pay for equal work, creation of single-member legislative districts, realistic technical and vocational courses commencing at junior high school level and offered in nearly all high schools, condemnation of forced busing of students to achieve racial balance;

Opposition to a tax on groceries, later voter registration deadlines, inclusion of all insurance company income in calculating auto insurance rates, admission of oral confessions in trials, and life sentence without parole for murdering a policeman.

AFL-CIO "BACKS" DEMOS — Following the conventions, Texas AFL-CIO leaders, "urged" support by labor of all statewide candidates of the Democratic party in the general election.

Decision, AFL-CIO President H. S. (Hank) Brown explained, left union members free to do as they pleased, since there was no formal "endorsement" carrying monetary support or mandatory vote.

Big labor's hang-up was in the U. S. Senate race. Some union spokesmen were reluctant to back Democrat Lloyd Bentsen but were likewise unenthusiastic about Republican candidate George Bush.

Committee of Political Education (COPE) gave "special recognition" to Gov. Preston Smith, Lt. Gov. Ben Barnes, Agriculture Commissioner John White and Land Commissioner nominee Bob Armstrong.

MIXED DRINK STUDY URGED — Alcoholic Beverage Commission directed its staff to study liquor-by-the-drink laws before the mixed drink constitutional amendment is voted on November 3.

ABC officials expressed concern that the liquor-by-the-drink law, if approved by the voters and Legislature, be tightly enforced.

Meanwhile, "Texans for Enforceable Liquor Laws," sponsors of the liquor-by-the-drink amendment, announced a statewide publicity and advertising campaign to put over its amendment.

"Texans Who Care" organization will conduct an opposition campaign.

OIL ALLOWABLE UP — Texas Railroad Commission bumped the state oil allowable for October to 87 per cent of potential.

This would be the highest since January, 1949. Increase was granted on the understanding of strict compliance with the order directing record allowable.

Order provides for no violation of the no-flare regulations, no gasoline plant processing casinghead gas to flare gas in October, and a curb on excessive brine production.

UNEMPLOYMENT PROGRAM CHANGED — Texas Employment Commission has called attention to a new federal law which will result in the biggest single increase in worker coverage since the federal-state program began.

An estimated 400,000 Texas workers will be covered, and 100,000 more employers will be liable for unemployment insurance tax beginning Jan. 1, 1972.

Federal law provides for payment of extended unemployment insurance up to a maximum of 13 weeks in times of high unemployment. Federal government will pay half the extended benefits — once regular benefits are exhausted.

Bill also make more jobholders eligible for benefits, makes more employers subject to insurance tax and increases the federal unemployment insurance tax paid by employers who already are covered by law. About 100,000 jobs in non-profit organizations are added to the coverage in Texas. These organizations employ four or more in 20 weeks of the current or preceding calendar year, and have the option of paying taxes or reimbursing the state for benefits paid.

ATTORNEY GENERAL RULES — A person whose photograph is taken for speed enforcement or traffic surveying purposes has no actionable invasion of privacy rights, Atty. Gen. Crawford Martin has held.

In other recent opinions, Martin concluded that: Texas Air Control Board has the power to certify facilities as constructed for the purpose of achieving control of air pollution.

Texas Education Agency can make appropriate adjustments in a school district's professional allotments to consider average daily attendance required to be transferred from one district to another. All allotments must be made without regard to race, creed or color.

TEXTBOOKS REJECTED — State textbook committee rejected four of six proposed literature textbooks written for minority group students in high school.

Committee chairman expressed disappointment that only one of the five books recommended for 11th and 12th grades was specially written to appeal to minorities.

One committee member complained of language used in one of the controversial texts.

INDUSTRIAL WINNERS ANNOUNCED — Six industries were named winners of the Governor's Industrial Expansion award for 1969.

Winners are Friedrich Refrigerators Inc. of San Antonio, Johnson Manufacturing Company of Lubbock, Kilgore Ceramics Corporation, Celanese Chemical Company Laredo Packing Company, of Clear Lake and Missouri Beef Packers Inc. of Friona.

All will receive awards in a special program here at the Governor's Conference on Industrial Expansion on October 13.

NEWS FROM . . .

Old Glory

BY BERNICE WHITE

The big news here last week was the nice rains we received. Mr. and Mrs. Lynn Flowers reported they received 3.6 inches which seemed to be about the largest amount. Here in Old Glory we received a total of 2.3 inches.

Mr. and Mrs. Charlie Letz provided the transportation and were accompanied by several members of the Variety Club for a day at the West Texas Fair in Abilene last Friday. Those who accompanied them were Mmes. Beno Herttenberger, E. H. Diers and Lynn Flowers.

Visitors in the home of Mr. and Mrs. R. D. Robinson last Sunday were her brother,

John Steele of Boyd, and her sister, Mrs. Virgel Crowover of Fort Worth.

Visitors in the home of Mr. and Mrs. H. L. Boles last Sunday included Rev. and Mrs. Jack Key of Abilene, Mr. and Mrs. C. T. Pierce, Debra and Denise, and Judy White.

Mr. and Mrs. Jerry Callicote and children of Midland were here recently visiting their parents, Mr. and Mrs. Delos Callicote and Mr. and Mrs. Charlie Letz.

Mr. and Mrs. Bill Ivey of Hawley visited here with her grandmother, Mrs. H. E. Carr, last Sunday.

The Reese McBroom family of Lubbock attended church here Sunday morning and later

visited with their relatives. Mr. and Mrs. J. E. Flow moved to Stamford recently. We regret losing them from our community.

Mrs. Katie Gerloff has returned home from Lubbock where she spent several days visiting with her sons, Jack Gerloff and Eugene Gerloff and his wife. Her sister and husband, Mr. and Mrs. Roy Wienke, nephew and wife, Mr. and Mrs. Doub Wienke. Another sister, Mrs. Emma Newman of Amarillo, joined her there.

Mother Dies

Mrs. L. W. Ross Sr. of Trent, mother of Mrs. Ruth Parker, died last Tuesday at 12:30 a. m.

She was buried in Elmwood Memorial Park in Abilene last Wednesday after services at 3 p.m. in the First Baptist Church of Trent.

Mr. and Mrs. Larry George are parents of a boy, Lance Gene, born Sept. 22 at 9:05 p.m. He weighed 8 lbs. 9 1/2 oz.

From the

Eagles Beak--

by Shirley Ann Gann

There will be a lot of studying around McCaulley this week getting ready for six week tests. It doesn't seem like we should be preparing for tests, but times does past fast at McCaulley.

The Juniors ordered their Senior rings and the Seniors ordered invitations Friday. That will give us all something to look forward too.

The 1970-1971 Seniors will be taking their Senior pictures next Friday, Oct. 2. Everyone will be trying to look their very best.

The Juniors and Seniors are having a country and western musical Jamboree Saturday, Sept. 26 at 8:00 p. m. at the McCaulley Gymnasium. Prices are adults \$1.00 and children 75c. We would like to invite everyone to come out and enjoy good music. There will also be a cake sale during the musical.

Well, the Eagles didn't do very well at the football game Friday night against the Weinert Bulldogs. The Bulldogs beat the Eagles 35-13. But better luck next time boys, don't let this get you down. The Eagles will have an open date this Friday, Oct. 2 they travel to Lueders. Avoca to play the Raiders.

The McCaulley Junior High game was called off last Thursday. They will travel to Divide Thursday (tonight).

Plans Completed For Field Day At Knox City

Plans are complete for the field day to be held at the Soil Conservation Service plant materials center at Knox City Wednesday, September 30, a local conservation leader said today.

Guided tours are planned through the 60-acre center starting at 9:00 a.m. Bus trips will run continually until about 3:00 p.m.

To get to the center you go north of Knox City on Highway 283 about 2 miles, then turn left on FM 1292 for 2 1/2 miles. There are signs at both the turn-off and the center.

Knox City has a new 3,200-foot all-weather runway near the plant center for those wanting to fly to the field day in private or charter planes. Transportation from the airport to the center will be furnished by the Knox City Chamber of Commerce.

Grass seed dealers, seed growers, conservation district directors, research workers, wildlife enthusiasts, livestock producers and others interested in the search for better plants are invited to attend. The center serves both Texas and Oklahoma and a large crowd from both states is expected.

Texan Cultures Open All Year At HemisFair Site

SAN ANTONIO — Students, parents and educators are reminded that Texas' historical display center remains open, free of admission charge, throughout the year.

The Institute of Texan Cultures at San Antonio, part of the University of Texas System, presents the story of Texas in personal terms, with a highly visual impact. There are films, slides, music and artifact exhibits, all designed to please the eye and hold attention.

There is no admission charge.

Major use is made of old photos and other illustrations, along with easy-to-read text panels, to tell of individual achievements by Texans of all times and all cultures.

Increasing numbers of Texas school children and educators are taking advantage of the supplementary material as a background to studies of history.

School term hours, September through May, will be from 10 a.m. to 4 p.m. Tuesdays through Fridays, and from 1 p.m. to 6 p.m. Saturdays and Sundays. The building is closed Mondays.

For further information, call Mrs. Pat Thatcher at (512) 226-7651, or write to her at P. O. Box 1226, San Antonio, Texas 78206.

Mr. and Mrs. Joe Villanueva are parents of a boy, Jose Jr. born Sept. 19 at 11:14 a.m. He weighed 7 lbs. 8 oz.
